APRIL 2026

Words From The Director

Dear ASIMPA Family,

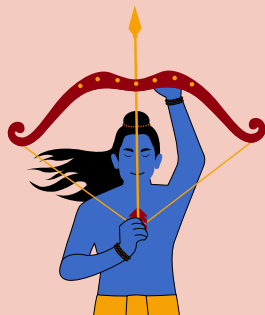

March was indeed a whirlwind of activity at our school, and we embraced every moment of it with excitement, joy, and enthusiasm. We were thrilled to welcome many new students to our community. Our hearts swelled with pride as we witnessed the incredible talent, passion, and progress displayed during our three major events. Our **Ram Navami** celebration showcased enchanting devotional performances, while the **Mehfil-E-Shaam** concert provided our adult students with a platform to shine. Our junior talents stole the spotlight with their performances at the **Playing in the Garden** Spring concert. Each event was a testament to the incredible talent, passion, and love for music that our students possess. We were equally thrilled to witness the unwavering support from parents, as well as the budding connections and growing confidence among our students. These experiences underscore the vital role that music plays in our lives, fostering growth and unity. As we look forward to the coming days and weeks, we encourage everyone to keep making music, keep shining, and keep enjoying and practicing. Together, let's continue to create beautiful melodies and cherished memories.

Warm Regards,
Dr. Subash Giri, PhD in Music, M Mus, M Mus Mgmt, RMT

Music For Culture Series (M4C)

Our M4C for the month of March was **Ram Navami**. Ram Navami begins in Chaitri Navratri and celebrates the birth of Lord Rama who is the 7th avatar of Lord Vishnu. This year we celebrated Ram Navami on March 23, 2026. We welcomed all of our students- adults and children- to celebrate as a united community. Students, and instructors came together to perform beautiful, rhythmic bhajans including Ram Siya Ram and Hai Ram Hai Ram. Our wonderful parents shared stories of our traditions, passing their knowledge down to the younger generations. Well done performers!
