September 2026

Words from the Director

Dear ASIMPA Community,

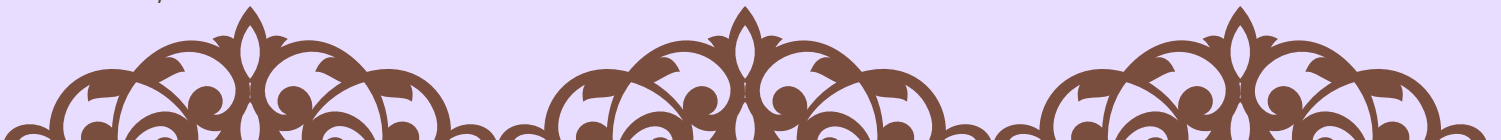

Welcome to the September 2026 term! I hope your summer was filled with rest, relaxation, and perhaps a little music-making. As we begin this new academic journey, let's carry forward the energy and creativity from our summer experiences. This term promises to be an exciting one, filled with opportunities for learning, growth, and collaboration.

Reflecting on the summer, our school has achieved remarkable milestones that demonstrate our dedication, collaboration, and innovation. From launching a vibrant summer camp and hosting a dynamic House concert to performing at the prestigious ISKCON Rathayatra 2026 and providing a music workshop to Allard Daycare students. Each achievement was a testament to our hard work and commitment. Together, we have built a strong foundation for future success, and we look forward to even greater achievements in the months ahead.

The new academic year is off to an exciting start with the introduction of our first academic year calendar. This comprehensive tool is designed to keep you informed about lesson schedules, important events, and school activities, streamlining our teaching service for greater efficiency. In addition to this, we are thrilled to announce that our Annual Concert "PARAMPARA III" is just around the corner. This much-anticipated event will feature our talented younger students, who are eager to showcase exceptional musical and dance skills they have been perfecting over the past year.

We are truly grateful for your ongoing support and trust in our music teaching. Thank you for being an integral part of our musical community. We look forward to creating many more harmonious moments together.

Warm Regards,
Dr. Subash Giri

Community Outreach

Alberta School of Indian Music & Performing Arts is committed to strengthening our community through music, culture, and meaningful partnerships. We proudly participate in and sponsor temple programs, cultural celebrations, and local events, creating opportunities to showcase our music while bringing families and communities together. If you would like to partner with us or invite our school to be part of an upcoming event, please get in touch. Together, we can celebrate and enrich our community through the shared joy of music and culture.

Most recently, we were invited to Allard Daycare Centre, where we had the opportunity to give a musical demonstration for the children. We were delighted to share the joy of music with the young students and introduce them to different musical sounds and instruments.
