Words from the Director

What an extraordinary month it has been for all of us! From the resounding success of our school's annual concert, PARAMPARA III, to the intimate and engaging performances of our house concert series, episode 2, and the soulful renditions in the bhajan club series, episode 2, we have truly embraced a spirit of learning and collaboration.

Our annual concert showcased the immense talent within our community, bringing together students, teachers, and parents in a celebration of music and creativity. I would like to extend my heartfelt gratitude to everyone who played a role in making our annual concert a success. A big thank you goes out to our dedicated staff, talented instructors, enthusiastic volunteers, and the supportive parents who contributed their time and energy. Our remarkable musicians and outstanding students also deserve applause for their hard work and dedication. Additionally, a very special thank you to our community sponsors—Shiksha: The Learning Academy, Dr. Roy Mali, Dr. Polly Chawla, and Karim Suleman. Without their generous support, we couldn't have delivered such an extraordinary show. Thank you all for making this event a memorable one!

The house concert was another highlight, fostering friendly competition and camaraderie among students, while the bhajan club event offered a serene and reflective experience for all who attended.

As we move forward, we look forward to more opportunities to engage, learn, and celebrate together. Your involvement makes all our efforts worthwhile, and we are grateful for your contribution to the success of these events. Let's keep the momentum going and continue to create memorable experiences for everyone involved.

Warm Regards,

Remembrance Day

This Remembrance Day, we honour the courage, sacrifice, and service of all those who have fought for our freedom and peace. Music has a special way of expressing what words cannot, bringing people together in reflection, gratitude, and hope. As a music school community, we remember those who came before us and are reminded that every note can carry a message of peace, unity, and remembrance. Lest we forget.
